

# ENGLISH CLASS

HIGH SCHOOL  
COLLEGE  
UC LEVEL

Students will develop the skill of crafting proficient business letters, emails, essays, and resumes, focusing on constructing well-organized and coherent compositions. Writing tasks will encompass argumentative and persuasive techniques aimed at influencing readers. The persuasive elements of ethos, logos, and pathos will be explored and assessed in written works. Moreover, students will acquire techniques to effectively convey objective viewpoints. They will cultivate confidence and ease in their writing through the learning process. The teacher will serve as a mentor, providing guidance and reviewing students' writing as they progress in their academic and professional journeys.

**English serves as a vital foundation for comprehending and studying all subjects and is crucial in examinations.**

## Director R.O.

iWISE English teacher is a former College Preparatory High School Dean of Students, with more than 20 years experience in education. He holds a Masters in Educational Administration, and a California Teaching Credential in English with multiple authorizations.
